Posiflex 8

The multiple supports available for the lumbar, abdomen and elbows greatly reduce muscle tension in the upper body.

The infinite comfort! Designed to provide optimal comfort and favor good posture.

Optimized torso support: An expanded torso provides comfortable support for the abdomen and elbows, with height adjustment and ratchet mechanism.

P8 torso for right and left handed: The torso support is equipped with a ratchet mechanism, located under the support, to rotate the cushion left or right.

Our products are recognized by the Association pour la Santé et Sécurité du Travail Secteur des Affaires Sociales (ASSTSAS) and the Association des Chirurgiens Dentistes du Québec (ACDQ). Designed and made in Canada. The chairs components meet BIFMA standards, corresponding to tests of resistance and durability.

- **Back support:** Adjustable height and angulation, to support the lumbar region, embracing the hollow of the back.
- **Seat comfort:** Adjustable height and angulation, removes pressure under the thighs.
- **Seat dimensions (width, depth):** **regular** 17.5 x 16.5 in (44.5 x 42 cm) / **small seat** 16.5 x 14 in (42 x 35.5 cm)
- **Durable base:** Five-legged base in black nylon resin for good stability, 25 in (63.5 cm) diameter.
- **Support for your feet:** Chrome-plated circular footrest with height adjustment.

Options

Choose your color = wide color range of non-porous vinyl
