Custom made for our products, this bag will allow you to transport chairs and stools in a simple and safe way.

- **Durability:** Wear resistant cover made of sturdy material
- **Easy to transport:** Equipped with several handles
- **Increased protection:** Padding on top and sides
- **Easy installation:** 2 simple steps

Easy step installation

Posiflex 8 option

For the Posiflex 8 assistant stool, use the torso cover found in the side pocket and insert it.

Step 1

Lower the lumbar support to its lowest position, slide the cover over the stool.

Step 2

Make sure to tighten the strap on the cover when placed under the seat or the foot ring.
